Reading Group

Do you love reading? Have you favourite books you would like to share with others of like mind? If so, then the Reading Group is for you. We are a friendly group and meet in our homes the last Thursday of every month with a summer break from June to August. As with any group our tastes are varied and we've covered many genres from travel to crime, from science fiction to children's literature and lots in between. Sometimes we all look at the same book, at others we bring along different ones from the same genre. We also like to discuss some of the books we have read since the last meeting. You tend to go away carrying a list of must read books suggested by the others.

On Thursday September 28th 2017 we are to meet at the home of Kate Thompson at 2, King's Garth, Nafferton at 2.00pm. The theme that afternoon is: "The best book I have read this Summer." We are also going to use that meeting to discuss the Winter programme and future plans. We would welcome any new members and those who have been unable to come for a while and would like to re-join us. You may know that our leader Mike Webb-Ingol moved from the area recently and, until we appoint another leader, if you wish to know more about the group, please contact me, Hazel Senior on 01377 272723.
